

Title 1 Tidbits Presents...

B.A.R.C. DOGS!

Bemidji Area Reading Canines are dedicated to improving the reading skills of children by using therapy dog teams as reading mentors.

Students in 1st, 2nd and 3rd grades will get two opportunities this year to read with a Furry Friend.

Remind your child often to practice their reading so that the next time the B.A.R.C. dogs come they will be really impressed with their reading progress!
